

**GENERALI**  
Assicurazioni Generali

17/11/2010

**PRESS  
RELEASE**

Trieste. With reference to press reports concerning a request from the ISVAP (the Italian insurance watchdog), Generali said this is a routine request for details about current operations and part of the Authority's on-going market vigilance activities. Any manipulation of this request will be evaluated with a view to taking action to safeguard the company's interests and guarantee correct disclosure to the market.
