On **29 (twenty-nine) April 2021 (two thousand and twenty-one)**, at 09:03 hours, in Trieste, at the offices of ASSICURAZIONI GENERALI Società per Azioni, situated in Piazza Luigi Amedeo Duca degli Abruzzi 1, I am requested by:

In light of the voting instructions provided by the Designated Representative, the CHAIR ascertains and announces that with regard to this item, the draft resolution has been approved by the General Meeting with the majority required by law and the Articles of Association, with:

The Chair reminds the meeting of the proposal of the Shareholder Marco BAVA to put to the vote the corporate liability action envisaged by s. 2393 of the Italian Civil Code, on the grounds: "since you have not held the General Meeting online on the Internet".

The CHAIR now passes to the discussion of the **second item** on the agenda of today's meeting, specifying that said item is as follows: **(Approval at an extraordinary session of amendments to the Articles of Association: relevant and ensuing resolutions; delegation of powers. a) Amendment of articles 8.1, 8.4, 8.5, 8.6, 8.7 relating to the abrogation of the specific reference to the share par value. b) Amendment of art. 9.1, on the shareholders' equity items of the Life and P&C businesses, pursuant to s. 5 of ISVAP Regulation No. 17 of 11 March 2008) and ascertaining that the extraordinary session of the General Meeting on third call is quorate, pursuant to paragraph seven of s. 2369 of the Italian Civil Code and article 22.3 of the Articles of Association.**

In this respect, he announces:

**that** the two questions will be considered in a single discussion, which will be followed by two separate votes;

**that** the first question of the second item on the agenda concerns the amendment of article 8 of the Articles of Association, which reflects a now established practice among Italian stock-listed companies, which is intended to create greater operating flexibility on share capital transactions. He says that the clause of article 8.4 ruling at the time of the call of the General Meeting has been abrogated as a consequence of the share capital increase servicing the 2018 LTI Plan, with the consequential renumbering of the subsequent paragraphs of article 8: therefore, the previously existing article 8.4 is no longer included among the amendments to the Articles of Association covered by today's resolution;

**that**, with reference to the amendment of article 9.1 of the Articles of Association, s. 5.5 of ISVAP Regulation no. 17 of 11 March 2008 provides that, whenever the Articles of Association are amended, or every three years (whichever comes first), insurance companies must resolve to update the clause of the Articles of Association that, as required by s. 5.1 of the above Regulation, specifies the amount of share capital and other items of shareholders' equity, broken down between the Life and the P&C businesses. On this basis, given the changes recorded at 31 December 2020, as reflected in the separate financial statements, he proposes that the amendments set out in the Report published in preparation for today's meeting be made to the text of article 9.1 of the Articles of Association. He says that the amount of the share capital that will be specified in the Articles of Association will be the amount as of today, following the implementation of the 2018 LTI Plan.

The CHAIR puts the proposal on the **first question of the second item** on the agenda to the vote and reads the resolution to be adopted by the meeting on the question on the agenda:

"The General Meeting of Assicurazioni Generali S.p.A., being validly constituted and empowered to pass resolutions, in extraordinary session, pursuant to s. 2369 of the Italian Civil Code and art. 22 of the Articles of Association,

- in view of the Report of the Board of Directors on this item of the agenda;

**resolves**

1) to approve the abrogation of the explicit references to the share par value set out in article 8 of the Articles of Association, with the consequential revision of the clauses of all the paragraphs of said article affected by the amendment, so that the article reads as follows:

**"8.1** The subscribed and paid-in share capital is EUR 1,581,069,241.00; this is subdivided into 1,581,069,241 ordinary shares with no par value. In the event of increases in capital, any sums received by the Company on the issuance
