**The CHAIRMAN moves on to discuss the third item on the agenda of today's Meeting (Share buyback scheme aimed at cancelling the repurchased own shares as part of the implementation of the 2022-2024 strategic plan. a) Approval of the authorisation to buy back own shares. Resolutions pertaining thereto and resulting therefrom. Delegated Powers. b) Approval in the extraordinary session of the authorisation to cancel the own shares without reducing the share capital. Resolutions pertaining thereto and resulting therefrom. Delegated Powers.)**

The CHAIRMAN informs the audience that the topics on the agenda are interconnected, one for the ordinary and the other for the extraordinary session: the former concerns the approval of the authorisation to buy back own shares, and the latter regards the cancellation of those own shares without reducing the share capital.

Therefore, in connection with the two topics under discussion, the Meeting is duly constituted in its ordinary session on second call, under article 2369, paragraph 3 of the Italian Civil Code and article 21.2 of the Articles of Association, as well as in its extraordinary session on second call under ar-

ticle 2369 of the Italian Civil Code and under article 22.3 of the Articles of Association.

In this respect, he states:

**that** the proposal to buy back own shares is part of the 2022-2024 strategic plan on the capital management policy which was previously disclosed to the market;

**that** the aim of the share buyback scheme is to make use of the excess cash resources that were accumulated during the 2019-2021 three-year period and not used for capital redeployment, as well as to provide Shareholders with additional remuneration than the mere distribution of dividends;

**that** the authorisation to buy and dispose of own shares, which is covered by this proposal, is instrumental in their cancellation - in one or more tranches - without reducing the share capital.

The CHAIRMAN then puts the proposal on the **first sub-item of the third item** on the agenda to the vote and reads out the resolution to be adopted by the meeting.

"The Shareholders' Meeting of Assicurazioni Generali S.p.A., convened at the offices of Assicurazioni Generali S.p.A. in Trieste, at 1, Piazza Duca degli Abruzzi, duly constituted and qualified to pass resolutions, in its ordinary session, under article 2369 of the Italian Civil Code and article 21 of the Articles of Association,

- having regard to article 132 of the CLFI, as amended;
- having regard to articles 2357 and 2357-ter of the Italian Civil Code;
- having acknowledged the provisions of article 5 of the MAR Regulation and of article 3 of the Delegated Regulation;

**resolves**

    - a) the authorisation is restricted to buybacks of shares

to be cancelled without reducing the share capital, considering this authorisation granted by the Meeting, after the approval of the relevant resolution, as provided for in item 3, letter b, on the agenda;

- b) the minimum purchase price of ordinary shares cannot be lower than the current implied nominal value of the stock at the time (currently equal to euro 1.00), while the maximum purchase price cannot exceed by 5% the reference Stock Exchange price of the share on the trading day preceding each purchase operation;
  - c) the Company may proceed to buy back its own shares, in one or more tranches, within 18 months of the date of this resolution;
  - d) the purchases will be carried out within the extent of the distributable profits and available reserves shown in the latest duly approved financial statements;
  - e) the transactions for buying back own shares will be carried out, under article 144-bis, paragraph 1, letters b) and c) of the Issuers' Regulation, in one or more tranches, on regulated markets or on multilateral trading facilities according to the operating procedures set out in the organisation and management regulations of the same markets, so as to ensure equal treatment for all Shareholders. Therefore, those purchases will be carried out, exclusively and in one or more tranches on regulated markets, according to the operating practices laid down in the organisation and management regulations of those markets, which should not allow any direct matching of offers to buy with predetermined offers to sell;
2. to entrust the Board of Directors, in the persons of its Chairman and Managing Director, either jointly or severally and with the right to further delegate to others the powers assigned to them, with the task:
- a) of implementing today's resolution, while also identifying the reserve funds to be used to purchase own shares and while recording the resulting statutory accounting entries;
  - b) of establishing the procedures, timeframes and all operational and ancillary terms required for ensuring the optimal implementation of this resolution, while conducting all appropriate assessments and checks and fulfilling all relevant duties, obligations and formalities - none excluded or excepted - as well as to take care of any other formalities concerning the disposal operations referred to in this resolution, including any appointments of intermediaries authorised by the law with the power to appoint delegates with special powers of attorney."

The Chairman now opens the discussion on the **seventh item** on the agenda of today's Meeting (**Appointment and remuneration of the Board of Directors for the 2022-2024 period. a) Determination of the number of members of the Board of Directors in office for the financial years ending on 31 December 2022, 2023 and 2024. b) Appointment of the Board of Directors in office for the financial years ending on 31 December 2022, 2023 and 2024. c) Determination of the remuneration of the members of the Board of Directors for the financial years ending on 31 December 2022, 2023 and 2024.**)

In this respect, he points out:

**that** the 7th item on the agenda of today's Meeting also contains three sub-items, in this case connected with the appointment of the Board of Directors for the financial years ending on 31 December 2022, 2023 and 2024, following the determination of the number of members to be appointed and, subsequently, their respective remuneration for the same period, with resolutions pertaining thereto and resulting therefrom; again, the three topics will be dealt with together and then will be put to the vote in three separate ballots;

**that** the Reports on the subject matters discussed hereunder were sent to those entitled and were filed at the relevant corporate offices and at the mechanism for the central storage of regulated information, eMarket SDIR, within the time limits laid down by the law; he specifies that the said documents have long been available to those interested on the Company's website; those attending are invited to review them in the file which has been provided to them and enclosed hereto as annex "H";

furthermore he makes it known:

**that**, with today's Meeting, the mandate that was conferred upon the Board of Directors with the meeting resolution dated 7

May 2019 expires, following the end of their terms of office;  
the said Board consists of Messrs:

Gabriele GALATERI di GENOLA e SUNIGLIA

Clemente REBECCHINI

Philippe DONNET

Paolo DI BENEDETTO

Alessia FALSARONE

Alberta FIGARI

Ines MAZZILLI

Antonella MEI-POCHTLER

Diva MORIANI

Renzo PELLICIOLO

Roberto PEROTTI

Andrea SIRONI

Luisa TORCHIA

**that** Directors Dott.ssa Alessia Falsarone, Prof. Andrea Sironi and Prof.ssa Luisa Torchia were co-opted with the Board resolution dated 28 February 2022 following the resignation submitted over the previous days by three Directors (Cav. Caltagirone, Dott. Bardin and Prof.ssa Pucci), therefore their mandates are expiring at the same time as those of the other members of the Board today in office.

The CHAIRMAN expresses, personally and on the Company's behalf, his most heartfelt thanks to all members of the Board of Directors for the valuable work carried out during their mandates.

He also reminds the audience:

**that**, therefore, the Meeting today is called upon to decide, under article 28 of the Articles of Association, on the appointment of the Board, which will be in office until the end of the proceedings of the Meeting, which will be convened to approve the financial statements for the financial year ending on 31 December 2024;

**that** the resolution on the appointments is preceded, under the Articles of Association, by the resolution determining the number of members to be elected and is followed by the resolution setting the Directors' remuneration for their terms of office.

The CHAIRMAN reveals that, after receiving the outcome of the voting instructions for the appointment of the Board and after announcing the results of the vote, he will suspend temporarily the proceedings for a few minutes in order to carry out the assessments required by article 28 of the Articles of Association regarding the topics of the interconnection between lists and of the compliance with the required percentage of independent directors and of directors belonging to the least represented gender.

The CHAIRMAN points out that the Reports on the subject matters of this topic were published, sent to those entitled, and filed at the relevant Company offices and at the mechanism for

the central storage of regulated information, eMarket SDIR, within the time limits laid down by the law. These materials have long been available to those interested on the Company's website.

The CHAIRMAN also reminds the audience:

**that** the candidates are expected to meet the professionalism, respectability and independence requirements mandated by sector regulations and not to be or become incompatible in any way, as required by current laws; every candidate may appear in one list only, on pain of ineligibility; the Board's composition must respect the balance between genders provided for by current regulations and must include the minimum percentage of independent directors, as required by article 28 of the Articles of Association, in compliance with current legislation;

**that** those entitled to vote, the companies they control - either directly or indirectly - as well as the companies they jointly control - either directly or indirectly - may jointly submit and may vote one list only; in the event of a breach, no support given to any of the lists will be taken into account;

**that** article 28.1 of the Articles of Association requires that the Board of Directors consist of not less than 13 and not more than 17 members appointed by the Meeting, after setting their number.

The CHAIRMAN informs the Meeting that the outgoing Board proposed, by sharing the assessment conducted by the Committee for appointments and remuneration, to set the number of members at 13, motivating their choice with the results of the self-assessment process, with the ongoing dialogue with the main Shareholders and investors, and with the analysis of national and international benchmarks.

On the 28 March 2022 an alternative proposal was submitted by Shareholder VM 2006 S.r.l., who proposed to increase to 15 the number of members of the Board to be appointed.

As far as the appointment of the Board is concerned, the Chairman points out that three lists were submitted by:

- 1) the outgoing Board;
- 2) Shareholder VM 2006 S.r.l.;
- 3) some collective investment undertakings, under the auspices of Assogestioni.

The CHAIRMAN states that after a complicated process, which is described in detail in the Report available on the Company's website, the Board compiled the following list of candidates:

- 1) Andrea SIRONI, as independent Chairman
- 2) Clemente REBECCHINI
- 3) Philippe DONNET, as Managing Director
- 4) Diva MORIANI
- 5) Luisa TORCHIA
- 6) Alessia FALSARONE
- 7) Lorenzo PELLICIOLO

- 8) Clara FURSE
- 9) Umberto MALESCI
- 10) Antonella MEI-POCHTLER
- 11) Marco GIORGINO
- 12) Sabine AZANCOT
- 13) Monica DE VIRGILIIS.

The above-said Report and the document accompanying the list present and delve into the professional profile and the CV of each candidate.

On 28 March, Shareholder VM 2006 S.r.l., which holds some 2.46% of the share capital, filed its own list of candidates, comprising the following names:

- 1) Francesco Gaetano CALTAGIRONE
- 2) Marina BROGI
- 3) Flavio CATTANEO
- 4) Roberta NERI
- 5) Claudio COSTAMAGNA, as independent Chairman
- 6) Luciano CIRINA', as Managing Director
- 7) Alberto CRIBIORE
- 8) Maria VARSELLONA
- 9) Paola SCHWIZER
- 10) Andrea SCROSATI
- 11) Stefano MARSAGLIA
- 12) Nicoletta MONTELLA
- 13) Patrizia Michela GIANGUALANO

Along with the list, the documentation required by article 28 of the Articles of Association was filed. A statement was also filed, which certifies:

- the absence of any connections with other subjects, as required by Consob notice DEM/9017893 of 26 February 2009 and by any applicable regulations;
- the absence of any connections with the list submitted by the Board of Directors which may be relevant under Consob's Warning no. 1/22 of 21 January 2022.

Finally, on 31 March a third list of candidates, under the auspices of Assogestioni, was filed by some collective investment undertakings holding a stake of 0.64% in the share capital. That list comprises the following candidates:

- 1) Roberto PEROTTI
- 2) Alice BORDINI
- 4) Giuseppe GUIZZI
- 5) Mariarosaria TADDEO

All candidates stated that they meet the requirements for taking office.

In compliance with the above-mentioned CONSOB notice of 26 February 2009, statements certifying the following were also filed:

- the absence of any connections - both direct and indirect - as mentioned in article 147-ter, paragraph 3 of the CLFI and in art. 144-quinquies of the Issuers' Regulation, to

shareholders holding, either jointly or severally, a controlling or a relative majority stake (i.e. Mediobanca S.p.A.);

- the absence of any connections to the list submitted by the Board which may be relevant under Consob's Warning no. 1/22 of 21 January 2022.

The CHAIRMAN declares that, in view of the information provided by the candidates included in the three lists submitted, all of them meet the independence requirement envisaged by article 28.2 of the Articles of Association and by article 147-ter of the CLFI, with the exception of:

- Philippe Donnet, Clemente Rebecchini and Lorenzo Pelliccioli, with regard to the list submitted by the Board of Directors, and
- of Francesco Gaetano Caltagirone, for the list submitted by shareholder VM 2006 S.r.l.

All documents concerning the lists submitted was published on the Company's official website, under the section *Governance - Shareholders' Meeting - 2022 Meeting*, in compliance with current laws and with the Articles of Association.

The Chairman, finally, announces:

**that** the Shareholders' Meeting, in addition to appointing the Board of Directors for the period 2022/2024, is called on today to determine the amount of remuneration payable to the members of that administrative body for the duration of their terms in office, according to article 2389, paragraph 1, of the Italian Civil Code; this, obviously, does not affect the Board of Directors' responsibility specified in article 2389, third paragraph, first sentence, of the Italian Civil Code;

**that**, in this regard, as better explained in the respective Report on this sub-item on the agenda, the Board, with the support of the Remuneration Committee and of an expert consultant, further investigated the state-of-the-art in this field, while conducting market comparisons with similar companies. That investigation confirmed that the current remuneration package is adequate, taking into account Generali's characteristics and standing.

The CHAIRMAN announces that the Board of Directors proposed that today's Shareholders' Meeting should approve the proposal assigning to each member of the Board of Directors in office for the 2022-2024 period, in addition to the reimbursement of out-of-pocket expenses incurred to participate in the meetings:

- a remuneration of euro 100,000.00 gross per annum, with a 50% increase for those who are members of the Executive Committee, where existing;
- an attendance fee of euro 4,000.00 gross for each meeting of the Board of Directors and of the Executive Committee.

The CHAIRMAN announces that an alternative proposal was submitted by Shareholder VM 2006 S.r.l. on this same topic, which envisages:

- for each director a remuneration of euro 85,000.00 gross per annum, with a 50% increase for those who are members of the Executive Committee, where existing;
- an attendance fee of euro 3,400.00 gross for each meeting of the Board of Directors and of the Executive Committee.

The CHAIRMAN asks the Designated Representative to provide him with the outcome of the voting instructions regarding the **first sub-item of the seventh item** on the agenda (**Determination of the number of members of the Board of Directors in office for the financial years ending on 31 December 2022, 2023 and 2024**).

In view of the voting instructions received by the Designated Representative, the CHAIRMAN acknowledges and states the results of the vote:

- **the proposal submitted by the Board of Directors** obtained votes in favour representing 57.72% (fifty-seven point seven two per cent) of the attending share capital;
- **the proposal submitted by Shareholder VM 2006 S.r.l.** obtained votes in favour representing 41.63% (forty-one point six three per cent) of the attending share capital;

**both proposals obtained:**

- votes against representing 0.02% (zero point zero two per cent) of the attending share capital;
- abstentions representing 0.23% (zero point two three per cent) of the attending share capital;
- non-votes representing 0.40% (zero point four zero per cent) of the attending share capital.

Then the CHAIRMAN announces that those entitled to vote who cast their votes - exclusively by proxy - represent 70.07% (seventy point zero seven per cent) of the share capital.

Thereafter, the CHAIRMAN states that the proposed resolution submitted by the Board of Directors is approved by the Meeting by the majority required by law and by the Articles of Association and reads out the Shareholders' resolution adopted:

"The Shareholders' Meeting of Assicurazioni Generali S.p.A., convened at the offices of Assicurazioni Generali S.p.A in Trieste, at 1, Piazza Duca degli Abruzzi, duly constituted and qualified to pass resolutions, in its ordinary session, under article 2369 of the Italian Civil Code and article 21 of the Articles of Association,

- having regard to articles 19 and 28 of the Articles of Association;
- having regard to the Report drawn up by the Board of Directors on this item on the agenda;
- having regard to the proposal submitted by the Board of Directors;

**resolves**

to set the number of members of the Board of Directors at 13 for the 2022-2024 period, i.e. until the end of the Shareholders' Meeting which shall be called on to approve the financial

statements for the financial year ending on 31 December 2024." The CHAIRMAN, following the pre-setting at 13 (thirteen) of the number of Directors to be appointed, asks the Designated Representative to provide him with the outcome of the voting instructions received regarding the **second sub-item of the seventh item** on the agenda (**Appointment of the Board of Directors in office for the financial years ending on 31 December 2022, 2023 and 2024**).

In view of the voting instructions received by the Designated Representative, the CHAIRMAN acknowledges and states the results of the vote:

- **the proposal submitted by the Board of Directors, LIST 1**, obtained votes in favour representing 56.00% (fifty-six point zero zero per cent) of the attending share capital;
- **the proposal submitted by Shareholder VM 2006 S.r.l., LIST 2**, obtained votes in favour representing 41.72% (forty-one point seven two per cent) of the attending share capital;
- **the proposal submitted under the auspices of Assogestioni, LIST 3**, obtained votes in favour representing 1.93% (one point nine three per cent) of the attending share capital;

**all proposals obtained:**

- votes against representing 0.08% (zero point zero eight per cent) of the attending share capital;
- abstentions representing 0.24% (zero point two four per cent) of the attending share capital;
- non-votes representing 0.03% (zero point three zero per cent) of the attending share capital.

The CHAIRMAN notifies that the list submitted under the auspices of Assogestioni failed to reach 5% of the share capital, i.e. the proportion required by article 28.10 of the Articles of Association to entitle the list to be assigned seats on the Board based on the votes obtained.

The CHAIRMAN suspends the proceedings for a few minutes in order to conduct the assessments needed to implement the provisions of article 28 of the Articles of Association, regarding the topics of connections between the lists and compliance with the required percentages of independent directors and of directors belonging to the least represented gender.

Then, after the above assessments have been completed, the meeting resumes and the CHAIRMAN announces that those entitled to vote who cast their votes - exclusively by proxy - represent 70.61% (seventy point six one per cent) of the share capital.

Thereafter the CHAIRMAN reads out the names of the candidates elected and the adopted Shareholders' resolution:

"The Shareholders' Meeting of Assicurazioni Generali S.p.A., convened at the offices of Assicurazioni Generali S.p.A in Trieste, at 1, Piazza Duca degli Abruzzi, duly constituted and qualified to pass resolutions, in its ordinary session, under article 2369 of the Italian Civil Code and article 21 of the

The CHAIRMAN then asks the Designated Representative to provide him with the outcome of the voting instructions received regarding the **third sub-item of the seventh item** on the agenda (**Determination of the remuneration of the members of the Board of Directors in office for the financial years ending on 31 December 2022, 2023 and 2024**).

- abstentions representing 0.17% (zero point one seven per cent) of the attending share capital;

Then the CHAIRMAN announces that those entitled to vote who cast their votes - exclusively by proxy - represent 69.50% (sixty-nine point five zero per cent) of the share capital.

Thereafter, the CHAIRMAN announces that the proposed resolution submitted by the Board of Directors is approved by the Meeting by the majority required by law and by the Articles of Association and reads out the Shareholders' resolution adopted:

Now the CHAIRMAN expresses his heartfelt thanks to all colleagues of the Board of Directors and of the previous boards of directors and to all Group's employees who contributed over these years, with their commitment and their strong attachment to the Company, to Generali's success around the world, providing excellent support in running the Company.

Finally, he addresses his best wishes for successful work to all members of the new Board of Directors and gives the floor to MANAGING DIRECTOR Philippe Roger DONNET.

The MANAGING DIRECTOR takes the floor and emphasises that this meeting represented a vitally important step in the life of the Company. The majority of shareholders expressed themselves clearly and unambiguously in favour of the List submitted by the Board of Directors and this is further evidence of their trust in the Board and of their support for the strategic plan. He points out that the Company's management, the network of agencies and the employees can now work with renewed determination and serenity so as to reap further success in the interest of all stakeholders. Article 9, paragraph 5, of the Commission Implementing Regulation (EU) 2018/1212 of 3 September 2018 states that issuers are to provide shareholders with the **confirmation of the recording and counting of votes**, as provided for in Art. 7, paragraph 2 of the same Regulation, no later than 15 days after the general meeting, through the standardized format provided for in said Regulation, unless the information is already available.

Having considered the aforementioned, coherently with the provisions of Art. 9, paragraph 5 of said Regulation, Assicurazioni Generali makes all information on the confirmation of the recording and counting of votes available to shareholders and general public through this attachment "M" to the meeting's minutes, published within 15 days from the shareholders' meeting and containing the details of all votes cast, in favour, against, abstained, not voting or excluded from quorum or not counted (the last two categories apply to proxies, conferred under art. 135-*novies* and art. 135-*undecies* of CFLI respectively, that carry no voting instructions on the relevant voting item or carry inapplicable voting instructions or, lastly, instructions that are not compliant with applicable laws and regulations, including the Assicurazioni Generali's Articles of association).

Hereunder, a conversion table is made available, in order to easily find all information envisioned by Table 7 of said Regulation in those provided by Attachment "M": it is to be noted that information in

- section 1 and 2 of said Table 7 are not applicable in the case where information is provided to shareholders and public through publication of the meeting's minutes;
- section 10 and 11 of said Table 7 are not applicable in the case where votes have not been cast before the meeting but at the meeting itself (through the Designated Representative).
