General background

This document illustrates, to the benefit of the interested shareholders, the formal rules regulating the procedure for submitting a list of candidates for election to the Board of Directors (hereinafter also indicated as the “**Board**”) of Assicurazioni Generali S.p.A. (hereinafter also indicated as “**Generali**” or the “**Company**”).

With regard to other more fundamental aspects, please refer to the **Guidance Statement** as approved by the Board on 17 February 2016

Information on the size and composition of the Board

As specified in Art. 28, Paragraph 1 of Generali’s Articles of Association (hereinafter also referred to as the “**Articles of Association**” - **Annex A**), the composition of the Board varies from a minimum of 11 to a maximum 21 members, as appointed by the Shareholders’ Meeting, which also previously sets the number of Board members.

With the exception of those lists presenting less than three candidates, all the lists include a number of candidates:

- ensuring gender balance;
- not higher than the number of members to be elected, listed in progressive order.

Each candidate may stand for election on only one of the lists, under penalty of ineligibility. Pursuant to Art. 147, Paragraph 1-ter of Legislative Decree 24 February 1998, No. 58 (**The Consolidated Finance Act**), at least one third of the Board Members for the next three-year term shall belong to the least represented gender. Those who have reached the age of 77 cannot stand for election (Art. 28 Paragraph 2 of the Articles of Association).

Board Members shall meet the requirements of professionalism, respectability and independence as required by the regulations in force and cannot fall under those situations of incompatibility as described by the laws and regulations in force (**Annex B**) as well as by internal rules (**Annex C**).

Pursuant to Art. 36 of Law 22 December 2011, No. 214, with regard to the independence of top managers of companies operating in the finance and credit markets, it is established that, in order to protect competition (**Annex**

and published on Generali’s web-site (www.generali.com), in the section relating to the 2016 Shareholders’ Meeting.

In this regard, shareholders wishing to submit a list of candidates are recommended to attach the relevant documentation showing the consistency of their competences in respect to the ones identified by the Board into the Guidance Statement.

D), it is forbidden for those holding top-level positions in the administrative, governing and supervisory bodies as well as the top-level officers of companies or groups of companies operating in the credit, insurance and finance markets, to accept or hold similar offices in competitor companies or groups of companies (prohibition of interlocking). To the purposes of the aforementioned prohibition, competitor companies or groups of companies are those among which there are no controlling relationships as mentioned in Art. 7 of Law 10 October 1990, No. 287, and that operate in the same product or geographical markets.

Board Members shall meet the independence requirements as required by laws and regulations in force, particularly, at least one-third of those shall meet the independence requirements as provided by law for a position of Member of the Board of Auditors (**Annex E**). Should the number of Board Members as established by the Shareholders’ Meeting not be a multiple of three, the number of independent members shall be rounded down to the nearest whole number. Even though, for the purposes of presenting a list of candidates only the independence requirements as provided by Law for the Members of the Board of Auditors is relevant, it should be noted that, for the purpose of forming the internal board committees as required by the Corporate Governance Code of the Listed Companies (hereinafter also referred to as the “Code”), the independence requirements as per Art. 3 of the Code is relevant (**Annex F**).

The Code underlines that acceptance of a Director position includes a previous assessment on being able to devote the necessary time to the diligent performance of the relevant duties, taking into account any other director-level or

supervisor-level positions held in other listed companies in regulated markets (domestic and foreign alike), in financial companies, banks, insurance companies or large companies whatsoever, as well as any other professional activity carried out by the candidate. To this purpose and as a general rule, Generali set that a maxi-

imum of **two positions** for executive directors and **five positions** for non-executive directors are compatible with an effective performance of Company Director's duties. More than one position held in companies of one single group are considered as one single position.

List submission procedure

Art. 28 of the Articles of Association requires that Board Members be appointed based on lists.

Shareholders holding at least 0.5% of the Company's share capital (whether individually or jointly with others) are entitled to submit lists. Each shareholder may neither submit nor vote on more than one list, whether directly or through trust companies or third parties; each candidate may be included in one list only, under penalty of ineligibility.

Lists shall be filed with the Company's registered office **by the 25th calendar day prior to the date of the first call of the Shareholders' Meeting (set for 26 April 2016), therefore by Friday 1 April 2016**. The lists filed by the shareholders are published by Generali by the 21st calendar day prior to the date of the first call of the Shareholders' Meeting, therefore by 5 April 2016, by which date documents shall be submitted legally demonstrating that the shareholders are entitled to submit the lists at issue pursuant to the provisions of Art. 147-ter, Paragraph 1-bis of the Consolidated Finance Act and Art. 28 Paragraph 8 of the Articles of Association.

The elections of Board Members proceeds in compliance with Art. 28, Paragraph 10 of the Articles of Association: all the Board Members shall be elected from the list obtaining the

highest number of votes apart from one, two, or three Members (depending on whether the number of Board Members to be appointed – as set by the Shareholders' Meeting with a separate resolution, which is made prior to the election – be 11, between 12 and 15 or higher than 15) which are chosen out of the list which came second in terms of votes.

To the purposes of submitting a list, a shareholder shall send a notification of list submission to the Company's registered office (I-34132 Trieste, Piazza Duca degli Abruzzi No. 2) or, via email to the certified address azioni@pec.general.com, by the aforementioned date; the contents of such notification – as specified below – shall vary in one aspect, should a list be submitted by shareholders other than those holding a relative majority of the shares (hereinafter also referred to as "**Minority Shareholders**"). In fact, the laws and regulations in force as well as CONSOB recommendations on the matter at issue (**Annex G**) provide that Minority Shareholders submit a declaration on the possible connections between their lists and those submitted by Relative Majority Shareholders.

For confidentiality reasons, it is recommended that the documents filed, which will also be published on the Company's website, omit any other information which may not be strictly necessary given the laws and regulations in force (e.g. it would be inappropriate to include a candidate's telephone number in his/her CV).

CODE OF CORPORATE GOVERNANCE FOR LISTED COMPANIES

Requirements of Independence

Art. 3 – Independent Directors

Principles

3.P.1. An adequate number of non-executive directors shall be independent, in the sense that they do not maintain, directly or indirectly or on behalf of third parties, nor have recently maintained any business relationships with the issuer or persons linked to the issuer, of such a significance as to influence their autonomous judgement.

3.P.2. The directors' independence shall be assessed by the Board of Directors after the appointment and, subsequently, on a yearly basis. The results of the assessments of the Board shall be communicated to the market.

Criteria

3.C.1. The Board of Directors shall evaluate the independence of its non-executive members having regard more to the substance than to the form and keeping in mind that a director usually does not appear independent in the following events, to be considered merely as an example and not limited to:

- a) if he/she controls, directly or indirectly, the issuer, also through subsidiaries, trustees or third parties, or is able to exercise a dominant influence over the issuer, or participates in a shareholders' agreement through which one or more persons can exercise a control or dominant influence over the issuer;
- b) if he/she is, or has been in the preceding three fiscal years, a significant representative of the issuer, of a subsidiary having strategic relevance or of a company under common control with the issuer, or of a company or entity controlling the issuer or able to exercise over the same a considerable influence, including when jointly with others through a shareholders' agreement;
- c) if he/she has, or had in the preceding fiscal year, directly or indirectly (e.g.

through subsidiaries or companies of which he/she is a significant representative, or in his/her capacity as partner of a professional firm or of a consulting company) a significant commercial, financial or professional relationship;

- with the issuer, one of its subsidiaries, or any of its significant representatives;
- with a person who, individually or jointly with others through a shareholders' agreement, controls the issuer, or – should this be a company or an entity – with its significant representatives;

or is, or has been, an employee of the above-mentioned subjects in the previous three fiscal years;

- d) if he/she receives, or has received in the preceding three fiscal years, from the issuer or a subsidiary or holding company of the issuer, a significant additional remuneration (compared to the "fixed" remuneration as a non-executive director of the issuer and to the remuneration for membership in the committees that are recommended by this Code) also in the form of participation in incentive plans linked to the company's performance, including stock option plans;
- e) if he/she was a director of the issuer for more than nine years in the previous twelve years;
- f) if he/she is vested with the executive director office in another company in which an executive director of the issuer holds the office of director;
- g) if he/she is shareholder or quota holder or director of a legal entity belonging to the same network as the company appointed for the auditing of the issuer;
- h) if he/she is a close relative of an individual who is in any of the positions listed in the above paragraphs.

3.C.2. For the purpose of the above, the chairman of the entity, the chairman of the Board of Directors, the executive directors and key management personnel of the relevant company or entity, shall be considered as "significant representatives".

3.C.3. The number and competences of inde-

pendent directors shall be adequate in relation to the size of the Board and the activity performed by the issuer; moreover, they shall be such as to enable the constitution of committees within the Board, according to the indications set out in the Code.

As for issuers belonging to the FTSE-Mib index, at least one third of the Board of Directors members shall be made up of independent directors. If such a number is not an integer, it shall be rounded down.

In any event, there shall not be less than two independent directors.

3.C.4. After the appointment of a director who qualifies himself/herself as independent, and subsequently, upon the occurrence of circumstances affecting the independence requirement and, in any case, at least once a year, the Board of Directors shall evaluate, on the basis of the information provided by the same director or available to the issuer, those relations which could be or appear to be such as to jeopardize the autonomy of judgement of such director.

The Board of Directors shall notify the result of its evaluations, after the appointment, through a press release to the market and, subsequently, within the Corporate Governance Report.

In the documents mentioned above, the Board of Directors shall:

- disclose whether they adopted criteria for assessing the independence which are different from the ones recommended by the Code, also with reference to individual directors, and if so, specifying the reasons;
- describe quantitative and/or qualitative criteria used, if any, in assessing the relevance of relationships under evaluation.

3.C.5. The board of statutory auditors shall ascertain, in the framework of the duties attributed to it by the law, the correct application of the assessment criteria and procedures adopted by the Board of Directors for evaluating the independence of its members. The result of such controls is notified to the market in the Corporate Governance Report or in the report of the Board of statutory auditors to the shareholders' meeting.

3.C.6. The independent directors shall meet at least once a year without the presence of the other directors.
