In compliance with the request made to me and pursuant to article 106 of Decree-Law no. 18 of 17 March 2020 as amended, I, Notary Public, hereby acknowledge the following.

According to articles 18 of the Articles of Association and 3 of the Rules and Procedures of the Meeting, this General Meet-

ing is chaired by the CHAIRMAN of the Board of Directors of the Company, ANDREA SIRONI, who invites me to attend the said General Meeting of the said Company in order to record its resolutions, as hereinafter provided.

The CHAIRMAN acknowledges that, according to article 25 of the Articles of Association and 4 of the Rules and Procedures of the Meeting, the Group CEO Philippe Roger DONNET, the Group CFO CRISTIANO BOREAN and the Secretary to the Board of Directors Giuseppe CATALANO are attending in person.

The CHAIRMAN completes the preliminary formalities for today's Meeting, then acknowledges:

that once again this year, today's Meeting is held in such a manner as to not require the shareholders to be physically present, in compliance with current laws. As over the last three years, Shareholders may indeed participate in the Meeting without having to leave their offices by delegating their Designated Representative, i.e., the company Computershare S.p.A., which is represented in this Meeting by Alberto ELIA;

that the Meeting is formally held at the Company's Offices on the seventh floor of Palazzo Berlam, at number 1, Piazza Luigi Amedeo Duca degli Abruzzi, Trieste;

that in compliance with Decree-Law no. 18 of 17 March 2020, as amended, participation in the Meeting is only allowed through the Designated Representative, pursuant to article 135-

undecies of Decree-Law no. 58 of 24 February 1998. The Designated Representative could receive delegations or sub-delegations under article 135-novies of the "TUF" (the Italian consolidated law on financial intermediation), notwithstanding article 135-undecies, paragraph 4, of the said decree, in order to allow the widest use of the said remote voting tool by all shareholders;

that under these circumstances, the members of the governing and supervisory bodies and any other people whose participation is allowed by the law, by the Articles of Association and by the Rules and Procedures of the Meeting have, therefore, the right to participate therein by telecommunication means.

First of all, the CHAIRMAN, wishes to share with all those attending his thrill of participating in his first Meeting in that capacity in such a prestigious company; he then goes on to say that the thrill is mixed with a deep sense of responsibility and pride, which has accompanied him since he was chosen to lead one of the main companies in Italy and Europe.

The CHAIRMAN states that the Company shareholders are also allowed to attend the General Meeting via a live video streaming link; he then greets all the connected shareholders and welcomes them to this General Meeting.

He also reminds the public that they will also be able to follow all the initial addresses via a live video streaming link

and that, on their completion, the formal proceedings of the General Meeting, which will be exclusively restricted to shareholders, will begin.

that on the 24th of March 2023 that notice was completed by adding a seventh subparagraph to the agenda;

that, as per the records of the *Libro dei Soci* (Register of Shareholders), as supplemented by reports received under arti-

cle 120 of Decree-Law no. 58 of the 24th of February 1998 and by other available information, the subjects listed below own - either directly or indirectly, through third parties, trust and subsidiary companies - shares in excess of 3% (three per cent) of the Company's share capital:

that, for the purposes of this meeting, the Company complies with the current legal requirements on the protection of personal data;

that once again this year, the Company would have liked to provide the now traditional Shareholders' Meeting Extended Inclusion programme, which is designed to overcome any physical, communication and sensory barriers; given the specific manner in which these proceedings are taking place, the programme only focuses on two new services: the live video streaming of the proceedings, including in the Italian sign language (LIS), and a captioning service in Italian, which uses the most appropriate colours for the visually impaired. Furthermore, as per our customary procedure, a simultaneous interpreting service that translates the proceedings into English, French, German and Spanish is provided;

that today's Meeting marks the expiration of the mandate of the Company's Board of Statutory Auditors, which was conferred upon it by the Shareholders' Meeting of the 30th of April 2020 for the 2020-2022 three-year period. Currently, the Board of Statutory Auditors consists of Ms. Carolyn Dittmeier (Chairwoman), Ms. Antonia Di Bella, and Mr. Lorenzo Pozza (Standing Auditors); Mr. Tazio Pavanel and Ms. Silvia Olivotto (Alternate Auditors).

While expressing his heartfelt thanks and appreciation, both in his individual capacity and on behalf of the Company, to the members of the said supervising body for the successful job hitherto conducted in the Company's interests over two mandates, the CHAIRMAN reminds those attending:

that, according to the Articles of Association, the Board of Statutory Auditors consists of three Standing and two Alternate Auditors;

that the new Board of Statutory Auditors shall remain in office until the day the actual Meeting is convened to approve the financial statements for the financial year ending on the 31st of December 2025;

that under the above said Articles of Association, the Statutory Auditors are appointed based on lists of candidates con-

sisting of two sections: one for electing standing auditors, the other for electing alternate auditors;

that the appointment process is regulated by the current Italian legislation and by article 37 of the Articles of Association;

that the outgoing Board of Statutory Auditors drew up, according to the Code of Conduct of the supervising bodies, a document which was published on the Company's website in which the board expressed their views and pointed out guidelines aimed at Shareholders for choosing the candidates and concerning the proposal for determining the remuneration of the incoming supervising body;

that the Board of Directors, while drafting its proposal, took into account the remarks made by the outgoing Board of Statutory Auditors;

that a list was filed by different Collective Investment Undertakings holding an overall stake of 0.81% in the share capital, under the auspices of Assogestioni. That list, for brevity's sake called "Assogestioni List", includes the following candidates: for the positions of Standing Auditors: Paolo Ratti, Sara Landini, and Luca Laurini; for the positions of Alternate Auditors: Michele Pizzo and Maria Francesca Talamonti;

that shareholder VM2006 S.r.l., who holds a 2.017% stake in the share capital, filed a list containing the following can-

didates: for the positions of Standing Auditors, Carlo Schiavone and Tazio Pavanel; for the positions of Alternate Auditors: Giuseppe Melis and Mario Civetta;

that all candidates stated that they meet the requirements for taking office;

that, on the 17th of April 2023, the Board of Directors resolved to reopen, until 6 p.m. of the 19th of April 2023, the terms for submitting nominations for the appointment of a female Standing Auditor; that decision was made in view of the nominations on the lists filed, as it was found out that the composition of the Company's Board of Statutory Auditors might fail to comply with law regulations and with the Articles of Association on gender balance, because of the absence of a female member;

that, however, no such nomination was received by that date.

The CHAIRMAN points out that, in compliance with CONSOB notice DEM/9017893 of the 26th of February 2009, the Shareholders who submitted the Assogestioni List also filed statements certifying the absence of any direct or indirect connections with the Shareholder who holds the relative controlling interest (i.e. Mediobanca S.p.A.). For a short description of the professional profile of each candidate, he invites those attending to refer to the documentation made available at the Company's offices and on its website. The same applies to the list of po-

sitions as directors and statutory auditors held by the same candidates at other companies, under article 2400 of the Italian Civil Code, which have not been changed in any way to date, based on what has been notified to us.

The CHAIRMAN also suggests that today's Shareholders' Meeting is also called upon to determine the amount of the annual remuneration payable to the members of the Board of Statutory Auditors for the period 2023-2025; that the Meeting of the 30th of April 2020 had set at Euro 180,000.00 (one hundred and eighty thousand point nought nought) the Chairman's annual gross remuneration and at Euro 130,000.00 (one hundred and thirty thousand point nought nought) the annual gross remuneration of each Standing Auditor.

On the same topic, the CHAIRMAN goes on to say, the Board of Directors, taking into account its benchmarking activities, with the support of the Remuneration Committee and of the Human Resources, as well as the remarks made by the outgoing Board of Statutory Auditors in the document drawn up according to the Rules of Conduct of the board of statutory auditors of listed companies defined by the Italian National Council of Accountants and Accounting Experts, proposed to establish that for the whole 2023-2025 period the remuneration of the Board of Statutory Auditors should amount to Euro 130,000.00 (one hundred and thirty thousand point nought nought) gross per

year and that amount should be increased to Euro 180,000.00 (one hundred and eighty thousand point nought nought) for its Chairperson. It was suggested that those amounts be supplemented with an attendance token of Euro 500.00 (five hundred point nought nought) for participating in each meeting of the Board of Directors and of its committees, with the refund - against receipts and invoices - of the expenses incurred for carrying out the relevant duties and including the D&O insurance policy coverage, according to corporate policies.

The CHAIRMAN then requests the Designated Representative to provide him with the outcome of the voting instructions regarding the **first sub-item of the third item** on the agenda (**Appointment of the Board of Statutory Auditors and of its Chair to remain in office for the financial years ending on the 31st of December 2023, 2024, and 2025. The CHAIRMAN states that, at the end of the ballots,

In view of the voting instructions received from the Designated Representative, the CHAIRMAN acknowledges and states that, with regard to this item, the proposed resolution was approved by the Meeting with the majority required by law and by the Articles of Association, in particular with:

The CHAIRMAN gives the floor to the Chairwoman of the outgoing Board of Auditors, Carolyn DITTMEIER, who expresses her "sincere thanks for the support received by the Board of Statutory Auditors during her nine-year mandate. The CHAIRMAN begins by stating:

that the two sub-items will be presented together, subsequently they will be voted in two separate ballots;

In this respect, he states:

The CHAIRMAN goes on to discuss the **sixth item** on the agenda of today's Meeting (**Share ownership plan for the employees of the Generali Group. a) Approval of the new Plan according to article 114-bis of the "TUF", after cancellation of the plan approved by the 2022 Meeting. Resolutions pertaining thereto and resulting therefrom. Delegated Powers. b) Approval of the authorisation to buy back own shares and to dispose of them to service the remuneration and incentive plans. Resolutions pertaining thereto and resulting therefrom. Delegated Powers.**)

The CHAIRMAN begins by stating:

that the two sub-items are going to be presented together, subsequently they are going to be voted in two separate ballots;

that the two interconnected sub-items concern, respectively, the approval of the share ownership plan for the Group's employees and the authorisation of the share buyback aimed at servicing that Plan.

In this respect, he states:

that last year the General Meeting approved a shareholding plan that had envisaged, for the Generali Group's employees who were neither members of the Group Management Committee,

nor of the Global Leadership Group, the option to purchase Generali shares on favourable terms based on the stock's appreciation and on the achievement of the ESG decarbonisation goal connected with cutting the whole Group's CO2 emissions, in line with Generali's climate strategy;

that against the new macroeconomic scenario, which is impacted by geopolitical events, by the increasing prices of raw materials, and by the resulting inflation, that plan has not been implemented, therefore the Board agreed to submit a new plan to today's Shareholders' Meeting. The new plan develops the previous plan's structure to make it more effective in a market environment which is characterised by high volatility and inflation and, at the same time, to achieve even greater alignment with the Shareholders' interests, according to the conditions and timing of the Group Long-Term Incentive Plan (LTIP) 2023-25, as described at item 5 of the agenda just approved;

that the plan provides the beneficiaries with the opportunity to purchase shares on favourable terms and that it will begin approximately in the month of May 2023 and will last 3 years;

The CHAIRMAN then puts the proposal on the **first sub-item of the sixth item** on the agenda to the vote and proceeds to read out the resolution to be adopted by the Meeting.

"The Shareholders' Meeting of Assicurazioni Generali S.p.A.,

duly convened in ordinary session and qualified to adopt resolutions under Article 2369 of the Italian Civil Code and Article 21 of the Articles of Association,

- having regard to article 114-bis of the "TUF" and to the relevant implementing provisions;
- having regard to the Report drawn up by the Board of Directors on this item on the agenda and to the respective Information Document;

resolves

- 1) to cancel the Plan approved by the 2022 Shareholders' Meeting;
- 2) to approve the Share Ownership Plan for the employees of the Generali Group named "Share Ownership Plan", as illustrated in the Board of Directors' report and in its Information Document;
- 3) to provide the Board of Directors with the broadest powers to implement the Share Ownership Plan, including, but not limited to, the powers needed to lay down implementation rules for that plan, to identify its beneficiaries, to determine the amount of options to be assigned to each beneficiary, to assign those options, to identify the strike price for exercising those options, to define the ESG and NHCF goals, under the terms explained in the Report drawn up by the Board of Directors on this item on

the agenda, as well as to fulfil any acts, requirements, formalities or provide any notices that may be necessary or just appropriate for managing and/or implementing the Shareholding Plan, along with the right to delegate its own powers, tasks and responsibilities regarding the implementation of the plan to the Board of Directors and, thereby, to its Chairman and to the Managing Director/Group CEO, either jointly or severally, according to the powers assigned to the latter."

The CHAIRMAN then requests the Designated Representative to provide him with the result of the voting instructions.

In view of the voting instructions received from the Designated Representative, the CHAIRMAN acknowledges and states that, with regard to this item, the proposed resolution was approved by the Meeting with the majority required by law and by the Articles of Association, in particular with:

- votes in favour representing 90.00% (ninety point nought nought per cent) of the attending share capital;
- votes against representing 0.03% (nought point nought three per cent) of the attending share capital;
- abstentions representing 9.97% (nine point nine seven per cent) of the attending share capital;
- non-votes representing 0.00% (nought point nought nought per cent) of the attending share capital.

Then the CHAIRMAN announces that those entitled to vote who cast their votes - exclusively by proxy - represent 63.22% (sixty-three point two two per cent) of the share capital.

The CHAIRMAN, as regards the second sub-item of the sixth item on the agenda concerning the application for permission, which is envisaged in articles 2357 and 2357-ter of the Italian Civil Code, to purchase and dispose of any own shares to service the Employees Share Ownership Plan, specifies that the said permission is only required to provide, in whole or in part, the Company with the funds needed to implement the above-mentioned plan.

The CHAIRMAN then puts the proposal on the **second sub-item of the sixth item** on the agenda to the vote and reads out the resolution to be adopted by the Meeting.

"The Shareholders' Meeting of Assicurazioni Generali S.p.A., duly convened in ordinary session and qualified to adopt resolutions under Article 2369 of the Italian Civil Code and Article 21 of the Articles of Association,

- having regard to articles 114-bis and 132 of the "TUF", as amended;
- having regard to articles 2357 and 2357-ter of the Italian Civil Code;

The CHAIRMAN begins by stating:

that the Board of Statutory Auditors proposed a revision of the economic terms applying to the statutory audit engagement awarded to the independent audit firm KPMG S.p.A. for the 2021-2029 nine-year period, with the shareholders' resolution of the 7th of May 2019;

that the above Board of Statutory Auditors' proposal is aimed at considering the impact of the following circumstances, such as:

the 1st of January 2023, against activities lasting 16,734 (sixteen thousand seven hundred and thirty-four) days, an amount of Euro 12,750,000.00 (twelve million seven hundred and fifty thousand point nought nought);

3) to approve adjustment criteria for the considerations proposed by KPMG S.p.A. in its memorandum of the 10th of March 2023 and for which the Report of the Board of Directors, which was drawn up on this item on the agenda, should be referred to;

4) to vest the Board of Directors, in the persons of its Chairman and Managing Director, either jointly or severally, and with the right to further delegate that authority, with the broadest powers needed to:

- a) sign the proposal for the supplement of the above consideration;
