

Procedure for access the live streaming service

On the occasion of the Annual General Meeting of 23rd April 2026, Assicurazioni Generali will once again offer the **opportunity to follow the Meeting proceedings in live video streaming**. This way, an increasingly larger audience of *stakeholders* will be able to easily witness this important moment of corporate communication.

The live streaming will begin at 9.00 am on 23rd April 2026.

The live streaming service will be available, for everyone, in Italian, as well as through a simultaneous translation in English, French, German, Spanish and Italian sign language (LIS). Italian subtitles will also be available.

It is kindly recommended to register as soon as possible following the procedure that will be available from 14th April 2026 on our Company's website [generali.com](https://www.generali.com) in the Governance / Live streaming – AGM 2026 section.

In compliance with the status of private event of the Shareholders' General Meeting, **only for certified shareholders (those who requested the communication for participation in the Meeting from their custodian**

under art. 83-*sexies* of the CLFI), thus resulting a Generali shareholder at the *record date* 14th April 2026, **and that have given the proxy to the Designated Representative under art. 135-*undecies* of the CLFI, the entire Meeting proceedings will be available in live streaming**. The service will be available directly through the portal of the Designated Representative, after signing in. The access credentials will be the same used in case of conferral of a proxy. In order to sign in, some identity information will be required, including a valid e-mail address and information on the communication for participation requested from the custodian.

For those who did not request the communication for participation in the Meeting and did not give the proxy to the Designated Representative, including non-shareholders, only the public part of the Meeting, including the opening speeches by the Company's top management, will be available in live video streaming. The link to access the streaming service will be available on the Company's website. In order to sign in, limited identity information will be required, including a valid e-mail address.
