A CHALLENGING TRIATHLON EVENT AMONG FLEMISH LANDSCAPES

Generali Belgium is the title sponsor of the **Zwintriathlon** event, held on 2nd September in the flemish city of Knokke-Heist. Zwintriathlon is a shorter version of triathlon (the "Ironman" version being 3.8 km swimming, 80 km cycling and 42,195 km running), and consists in a multi-sport endurance event divided into:

- 1 km swimming
- 45 km cycling
- 10 km running

This year's 11th edition was won by Bart Aernouts, a duathlete champion from Belgium who increasingly focuses on triathlon, and by Tine Deckers for the feminine edition.

Generali Zwintriathlon takes its name from the nature reserve of Zwin, on the Belgian-dutch border. In fact, its route starts from Sluis in the Netherlands, goes through a typical flemish landscape of dunes and polders along the North-sea coast and ends in Knokke-Heist, in Belgium.
