

Assicurazioni Generali joins with four other insurance companies in a collective operation to protect Eurovita policyholders

Milan - Following the Eurovita crisis, in recent days the Board of Directors of Assicurazioni Generali S.p.A and Generali Italia approved the participation of Generali Italia, with four other insurance companies - namely Allianz, Intesa Sanpaolo Vita, Poste Vita and Unipol SAI - in the agreements aimed at implementing a collective solution - collaborating responsibly alongside the institutions - with the primary objective of protecting Eurovita's policyholders.

The entire operation, which will be divided into successive phases, will be subject to obtaining all regulatory authorisations from the relevant supervisory authorities and provides a clear signal of confidence to the market, and to Eurovita's customers.
